

NARRATIVE DISCUSSION

For the nine months ended December 31, 2017

The unaudited quarterly financial statements for the Canadian Museum of Immigration at Pier 21 ("the Museum") should be read in conjunction with the March 31, 2017 Management Discussion and Analysis and annual audited financial statements.

OUTLOOK

During the first three quarters of 2017-18, more than 120,500 people visited the Museum onsite and close to 320,000 people visited online. The significant project to catalogue the collection to make it available online continues and will attract additional web visitors and enhance online access to the collection.

The Museum's legacy project for Canada 150 and its first travelling exhibit, *Canada: Day 1*, continued its tour across Canada and was on display at the Canadian Museum of History until the beginning of January 2018. It's then heading to Simcoe County Museum in Minesing, Ontario from mid-January to April 2018. At the same time, an expanded version was created for exhibition at the Museum and was on display until November 2017. *Canada: Day 1* tells the stories of newcomers' experiences on their first day in Canada. Smaller *Canada: Day 1* exhibits have been developed in partnership with Immigration, Refugees and Citizenship Canada and Global Affairs Canada and are being exhibited nationally and internationally. Work continues on the Museum's next temporary and travelling exhibit, *Refuge Canada*, which will explore the refugee experience in Canada. The opening of the temporary exhibit at the Museum is planned for March 2018 and the travelling version should begin touring in the first quarter of 2019-20.

Marketing, communications and outreach continue to be priorities to expand the Museum's reach, the awareness of the Museum and to grow its visitation. Work is underway on a brand strategy, an enhanced online presence, and further development of partnerships that will ensure the Museum continues to deliver on its national mandate.

FINANCIAL RESULTS

Operations

The net result of operations for the nine months ended December 31, 2017 was a net income of \$1,219,000 compared to a net income of \$1,336,000 for the nine months ended December 31, 2016. When combined with the \$3,007,000 in unrestricted net assets at March 31, 2017, this results in unrestricted net assets at December 31, 2017 of \$4,226,000. The net profit for the nine months ended December 31, 2017 is partially due to timing. Some revenues planned for the last quarter came in earlier than budgeted. Also, some expenses were delayed until the last quarter.

For the nine months ended December 31, 2017, self-generated revenues increased \$252,000 from \$2,388,000 in 2016 to \$2,640,000 in 2017. Self-generated revenues include operating revenues, donations, and interest and other revenues. The increase in operating revenues is mainly due to higher ticket sales and higher rental revenues. Despite having a slightly lower number of visitors compared to 2016, tickets sales increased following the ticket price increase in January 2017. The renovated rental spaces are popular, well received and more versatile, which translates to higher revenues. Donations were higher mainly due to the timing of the receipt of two major gifts totalling \$250,000 in the first quarter but budgeted for in the fourth quarter of 2017-18.

Net income earned on the endowment investments of \$58,000 is included in the Statement of Operations for the nine months ended December 31, 2017. Unrealized gains and losses on investments are not recorded as revenue but as accumulated remeasurement gains or losses in the Statement of Financial Position. A net decrease of \$19,000 was recorded in the accumulated remeasurement gains which resulted in an overall positive performance for the endowment investments of \$39,000 for the nine months ended December 31, 2017, compared to a positive performance of \$232,000 for the same period in 2016.

Expenses for the nine months ended December 31, 2017 increased \$314,000, from \$8,987,000 in 2016 to \$9,301,000 in 2017. The increase is mainly due to the planned increase in personnel costs and the higher costs for travelling and temporary exhibits. The Museum's first travelling exhibit, *Canada: Day 1*, had been on the road since June 2014 and was in need of some updates before being displayed at the Canadian Museum of History in June 2017. The Museum is also developing its next temporary and travelling exhibit *Refuge Canada* planned to open onsite in March 2018.

Financial Position

Total assets decreased by \$860,000 at December 31, 2017 to \$29,149,000 primarily due to the decrease in capital assets offset by the increase in cash. The decrease in capital assets is attributable to the amortization net of acquisitions. The increase in cash is mainly attributable to higher self-generated revenues.

Total liabilities decreased by \$2,079,000 to \$16,547,000 at December 31, 2017 mainly due to the decrease in deferred contributions related to capital assets attributable to the amortization.

BUSINESS RISKS

Management has not identified any new business risks to those discussed in the 2016-17 annual Management Discussion and Analysis.

Notes to the Financial Statements (Unaudited)

December 31, 2017 (in thousands of dollars)

1. Authority and objectives

The Canadian Museum of Immigration at Pier 21 (the "Museum") was established on November 25, 2010 under the *Museums Act*. The transfer and assignment of assets, contracts and records from the Pier 21 Society and Pier 21 Foundation occurred on February 3, 2011. The Museum is an agent Crown corporation named in Part I of Schedule III of the *Financial Administration Act* and is not subject to the provisions of the *Income Tax Act*.

The Museum's mandate is to explore the theme of immigration to Canada in order to enhance public understanding of the experiences of immigrants as they arrived in Canada, of the vital role immigration has played in the building of Canada and the contributions of immigrants to Canada's culture, economy and way of life.

2. Accounting policies

These unaudited financial statements follow the same accounting policies and methods of computation as the Museum's annual audited financial statements as at and for the year ended March 31, 2017.

3. Basis of presentation

The note disclosures in these unaudited financial statements do not conform in all respects to the requirements of Canadian Public Sector Accounting Standards for government not-for-profit organizations for annual audited financial statements. These unaudited financial statements should be read in conjunction with the Narrative Discussion for the nine months ended December 31, 2017 and with the Museum's annual audited financial statements as at and for the year ended March 31, 2017.

4. Endowment

5. Deferred contributions related to capital assets

Deferred contributions related to capital assets represent contributed capital assets and restricted contributions for the acquisition of capital assets. Deferred contributions are amortized to income on the same basis as the related capital assets are amortized. The changes in the deferred contributions balance for the periods are as follows:

For the three months ended	Apr	oropriations	con	Other tributions	D	ecember 31 2017
